Please provide a brief bio of yourself that may be distributed to the association members:

I am a mid-30's mom of two, who is passionate and detail-oriented. I am extremely experienced with children; and one of my children has special needs, which allows me to think outside the box. I've run my own successful business for over ten years. I also love to entertain, and my parties have been on TV and in magazines. I'm creative, intelligent, dedicated, thoughtful, and a great leader.

How do you feel the community would benefit from your involvement on the Board?

I'm great at organizing fun events, I have a flexible schedule and I believe I have a unique POV.

Please tell us anything else you'd like to share.

I would love to help this community grow and thrive! I'm also 'great' at social media and websites!

I have been a resident in Kings Ridge since 2005. My wife and I knew we wanted to build our home and start our family here the moment we came to the development. In the 14 years I have met many wonderful people /families and have seen the community thrive. I have owned and operated my own business and I understand the commitment it takes to be successful in reaching goals and being a team leader.

**How do you feel the community would benefit from your involvement on the board**

I understand that it takes a team working towards a constructive goal and I want to be a part of continuing the growth and ongoing vision for Kings Ridge. I care about our community and I want to give my time and become a board member.

**Please tell us anything else you would like to share**

I am excited about the opportunity to serve and look forward to representing our homeowners and helping to make a difference.
