Kings Ridge HOMEOWNER'S ASSOCIATION CANDIDACY FORM

Name / Address:

Lisa Williams 7109 Whisperfield Drive

Brief Personal Information: Family members, interests, education, etc.

My Poodle, Martini, and I love gardening, participating in Fungility, and as a retiree, having control over our time. Employment now is part time with an alternative certification company supervising first year teachers who are working to become state certified Texas educators.

Experience / Qualifications: Employment history, prior experience in a Homeowners Association, Committee or Board of Directors, etc.

I have lived in Kings Ridge since 2007, and have lived at 7109 Whisperfield since 2012. As a retired public-school Principal, leading and participating on many committees over my 35 years of service helped me understand the value of working as a team and communicating plans and goals. I believe in strong leadership principles, ethics and fairness.

Why are you interested in serving?

(Interested in neighborhood, improvements, vision for the community)

I have no agenda, other than to support our governing documents and maintain the high standards of our platinum level community. I am interested in conserving resources, spending conservatively, and improving communication among neighbors. I've enjoyed actively serving on the landscape committee for the past 6 months and have attended all meetings since June 2023. Maintaining property values and high standards with pride of ownership are very important to me.

Are there any commitments such as travel or employment schedule that will hinder your regular attendance/participation in monthly evening board meetings?

There are no commitments that would keep me from attending monthly meetings and participating.
